*Re: Ex Parte Presentation in CC Docket No. 00-199*

Dear Ms. Salas:

Pursuant to Section 1.1206 of the Commission's rules, the Competitive Telecommunications Association ("CompTel") hereby gives notice that on October 3, 2001, its representative, the undersigned, spoke with Jordan Goldstein, Senior Legal Advisor to Commissioner Michael Copps, about the above-referenced proceeding. Specifically, CompTel expressed support for the new interconnection revenue and expense accounts (5086 and 6651, respectively) that were described in the FCC's June 8 *Public Notice* in this proceeding. CompTel also expressed its position that the FCC's Submarine and Deep Sea Cable accounts (2424 and 2425, respectively) should not be aggregated with the Buried Cable account (2423), as proposed in the Public Notice.

Please contact the undersigned if you have any questions regarding this matter.

Sincerely,
